DAVID TRIBBETT
CHIEF TECHNOLOGY OFFICER
COORDINATED HEALTH

David Tribbett is the Chief Technology Officer at Coordinated Health (CH), a specialized hospital and health network with locations throughout eastern Pennsylvania and western New Jersey.

Tribbett is responsible for overseeing the company's Information Technology, Supply Chain and Business Intelligence departments, with a focus on integrating and modernizing CH's care delivery model. A software, technology and business visionary, Tribbett brings more than 30 years of experience to CH in the areas of revenue cycle management (RCM) applications, systems and platforms for healthcare organizations.

Shortly after graduating from Widener University, Tribbett founded and sold his first information technology company. He transitioned into a healthcare clinical networking company that evolved several times before becoming what is now Experian Health RCM. Most recently, he served as the Head of Provider Facing Products for Availity, a healthcare technology services company specializing in healthcare transactions.
