## **INDUSTRY EXPERIENCE**

### **Real Estate Manager, Target Corporation, Minneapolis, Minnesota**

- Led a team of experts in architecture, law, construction, engineering, store planning, market research, storm water management, soils, lighting, and environmental concerns to expand and redevelop existing assets in the Boston, New York City, Philadelphia and Baltimore/Washington D.C. metro areas.
- Oversaw the delivery of approximately 15 projects with over \$100 million of capital investment annually.
- Negotiated the real estate business terms with developers, landlords and other retailers for necessary consents in addition to obtaining all required public entitlements.
- Directed the preparation of site construction documents, which reflected cost effective resolutions to project constraints, through hiring and managing consultants (civil, soils, traffic, landscape).

### **Commercial Real Estate Broker, NAI Utah Commercial Real Estate, Inc., Salt Lake City, Utah**

- Provided commercial real estate asset acquisition and disposition services to clients. Institutional, corporate and individual investment objectives brought to fruition through successful brokerage, advisory and consulting services (regarding strategic asset positioning, tenant retention, and capital budgeting).
- Collaborated with city planners, planning and zoning personnel, city and private engineers, architectural firms, property brokers, investors, asset and property managers, mortgage brokers and bankers, legal and accounting professionals as well as existing and prospective tenants while working through the sales process for both built assets and raw land.
