LEHIGH CENTER FOR SUPPLY CHAIN RESEARCH FALL FORUM
REAL WORLD SUPPLY CHAIN SOLUTIONS FOR LONG TERM COMPETITIVE ADVANTAGE
NOVEMBER 9-10, 2017

Click to register by November 2nd

Forum Overview
The Lehigh CSCR Fall Forum is an opportunity to learn from academic and industry experts about improving your supply chain for long term competitive advantage. As you can see in the agenda below there are some excellent topics that provide new and insightful ways to improve your supply chain. Come prepared to actively participate and learn from your peers and subject matter experts in these interactive sessions. In addition there will be ample opportunities to network at the opening reception, lunch session and closing reception with industry peers, Lehigh University students and Lehigh University faculty.
